Mr. WEBER of Texas changed his vote from “yea” to “nay.”

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 2429

Mr. BRADY of Texas. Mr. Speaker, I ask unanimous consent to remove Congressman DAVID PRICE of North Carolina as a cosponsor from H.R. 2429. His name was inadvertently added.

The SPEAKER pro tempore (Mr. COTTON). Is there objection to the request of the gentleman from Texas?

There was no objection.

HONORING FORMER U.S. REPRESENTATIVE MICK STATON

(Mrs. CAPITO asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAPITO. Mr. Speaker, I rise here with my fellow Members from West Virginia to honor former U.S. Representative Mick Staton, who passed away on April 14, 2014.

Mick was a lifelong West Virginian who devoted himself to a life of service to our great State, including representing the Third District of West Virginia. Mick's public service began with 8 years in the National Guard, and his passion for serving others and his dedication to Republican principles inspired him to make a run for Congress.

A successful businessman, Congressman Staton also served as a Presidential elector for West Virginia. Then, just last month, he was named as one of only five emeritus members of the West Virginia Republican Party.

More evident than Mick's tremendous dedication to West Virginia was his devotion to his family. He and his wife, Lynn, shared a true partnership in life, giving them faith and support to persevere through his difficult health challenges.

As a friend of Mick's for 30 years, I will miss his bright smile, quick wit, and warm companionship. I offer my deep condolences to Lynn, their two children, and their extended family.
